# Making Yo-Yos

Follow these simple steps to make yo-yos.

1. Cut circle using pattern below.
2. Turn under raw edge of circle  $\frac{1}{4}$ " to wrong side and take small running stitches around edge through both layers (*Photo A*). Use quilting thread or other strong thread that will not break when gathering.
3. Pull thread to gather circle with right side of fabric facing out. Make a knot to hold circle closed. Gathered side is front of yo-yo (*Photo B*).

## Sew Smart<sup>TM</sup>

**Do not make running stitches too small. Longer stitches make the circle easier to gather, and the "hole" smaller.**
